

MEGA KICKERS CLASSES

TIPS ON HOW YOU CAN GET THE MOST OUT OF OUR CLASSES WITH YOUR CHILD

FIRST CLASSES

MANAGE YOUR EXPECTATIONS AND RELAX

Mega Kickers is the culmination of the preceding age groups. It brings together all previous skills and introduces them into real football matches.

Mega Kicker classes aim to be challenging, enabling the learning of new skills.

PROGRESSIVE CHALLENGES AND MATCHES

EACH SESSION ENDS WITH A MATCH.

Every child has their own ball throughout the session to maximize touches. More touches on the ball lead to faster and greater skill gain. The match becomes the climax of the session and is the perfect outlet for channelling competitive energy as well as transferring their skills into a real world situation.

IMPORTANT LIFE LESSONS

OUR ROUNDED APPROACH EMPHASIZES THE "WHY".

Through a more competitive structure, children are taught valuable life lessons such as fair play, teamwork and the importance of hard work. There is a focus on awareness that winning or losing is not as important as making an effort, playing fair and learning from the experience.

FOCUS ON THEIR ACHIEVEMENTS

IT'S ALL ABOUT THE FUNDAMENTALS.

Our Mega Kickers receive quarterly badges which highlight the key physical, cognitive and football skills they are exposed to in our programme. Our Mega Kickers absolutely love showing their badges to their teammates and family!

STICK WITH IT

GOOD THINGS COME TO THOSE WHO WAIT.

In Mega Kickers, children become more competitive and are taught to challenge themselves and one another. They develop an understanding of positional play in real match scenarios and understand the importance of individual positions within the team.
